

Plate Dowel Cradle

Engineered Load Transfer for Concrete Slabs

The Plate Dowel Cradle system is a precision-engineered solution designed to enhance joint integrity in concrete slab contraction joints. Each welded-wire cradle ensures accurate dowel placement and effective load transfer while allowing slab movement through integrated polypropylene sleeves.

Manufactured from Grade 300 mild steel and available in black or hot-dip galvanised finishes, the system suits a wide range of slab thicknesses. Its rigid, lightweight construction reduces installation time and labour, making it ideal for industrial, commercial, and civil projects.

SPECIFICATIONS:

Product	Description
121966	Plate Cradle 6mm @ 450mm Centres To Suit 125mm Slab – Black
119606	Plate Cradle 6mm @ 450mm Centres To Suit 150mm Slab – Black
123741	Plate Cradle 6mm @ 450mm Centres To Suit 180mm Slab – Black
135242	Plate Cradle 6mm @ 450mm Centres To Suit 200mm Slab – Black
114997	Plate Cradle 6mm @ 450mm Centres To Suit 125mm Slab –
120854	Plate Cradle 6mm @ 450mm Centres To Suit 150mm Slab –
115315	Plate Cradle 6mm @ 450mm Centres To Suit 180mm Slab –
101588	Plate Cradle 6mm @ 450mm Centres To Suit 200mm Slab –
121539	Plate Cradle 10mm @ 450mm Centres To Suit 125mm Slab – Black
110949	Plate Cradle 10mm @ 450mm Centres To Suit 150mm Slab – Black
127207	Plate Cradle 10mm @ 450mm Centres To Suit 180mm Slab – Black
109715	Plate Cradle 10mm @ 450mm Centres To Suit 200mm Slab – Black

Key Features & Benefits

- Provides reliable load transfer and joint movement control
- Factory-welded assemblies ensure precise dowel alignment
- Polypropylene sleeves allow for contraction and lateral movement
- Available in black or galvanised finish for varying environmental demands
- Customisable configurations available to suit specific slab requirements
- Compatible with Connolly Crack Inducers
- Engineered to AS/NZS 3679.1 and galvanised to AS/NZS 4680
- Easy to handle and install – reduces site time and labour

124430	Plate Cradle 10mm @ 450mm Centres To Suit 250mm Slab – Black
121644	Plate Cradle 10mm @ 450mm Centres To Suit 125mm Slab –
107362	Plate Cradle 10mm @ 450mm Centres To Suit 150mm Slab –
120817	Plate Cradle 10mm @ 450mm Centres To Suit 180mm Slab –
101582	Plate Cradle 10mm @ 450mm Centres To Suit 200mm Slab –
121645	Plate Cradle 10mm @ 450mm Centres To Suit 250mm Slab –
