

Bond Breaking Tape

Reliable Joint Isolation Solution

Danterr's bond breaking tape is a high quality polyethylene tape designed to isolate sealants from concrete and joint filler materials, preventing unwanted adhesion and ensuring proper joint performance. By eliminating three sided adhesion, this bond breaker tape allows for correct movement, improving durability and long term performance. The 10mm bond breaking tape is ideal for narrow joints and applications requiring precise sealant control.

Key Features & Benefits

- ▶ **Prevents Three Sided Adhesion** – Ensures correct sealant movement
- ▶ **Improves Joint Performance** – Reduces stress and extends service life
- ▶ **Excellent Conformability** – Adapts easily to irregular surfaces
- ▶ **Fast Installation** – Self adhesive for efficient on site application
- ▶ **Reliable and Consistent** – Delivers dependable performance across projects

SPECIFICATIONS:

Product Code	Description
106252	Bond Breaking Tape 6mm x 66m
106253	Bond Breaking Tape 10mm x 66m
101527	Bond Breaking Tape 12mm x 66m
106254	Bond Breaking Tape 15mm x 66m
106255	Bond Breaking Tape 20mm x 66m
105134	Bond Breaking Tape 25mm x 66m
106256	Bond Breaking Tape 30mm x 66m
107009	Bond Breaking Tape 40mm x 66m
120534	Bond Breaking Tape 50mm x 66m
113093	Bond Breaking Tape 55mm x 66m
116723	Bond Breaking Tape 80mm x 66m
115227	Bond Breaking Tape 100mm x 66m
110907	Bond Breaking Tape 200mm x 66m
120416	Bond Breaking Tape 300mm x 66m
